From the Registrar, Mysore University Letter no. 14549 dt 23.12.29 recommends sanction of Govt. that M. S. Seshagiri Rao, who has been acting in the twice advertised Special Vacancy of Clerk in the Central College, Bangalore, may be confirmed as clerk & Stenographer on Rs 35/- p.m. in grade Rs 25-2½-50 from 1.7.29

From the Registrar, Mysore University, Letter no. 14550 dt 23.12.29 regrets, in the circumstances explained, that the vacancy originally advertised as Special Vacancy no 625 of (27-28) of (temporary) Store-Keeper, Physics Dept., Central College, Bangalore, on Rs 30/- p.m. may be advertised as a General Vacancy.

17) The vacancy of acting additional clerk, carrying a pay of Rs 25/- p.m. in grade Rs 25-2½-50, in the Central College was advertised as Special Vacancy no. 624 of 27-28 in September 1927, as lasting till the end of June 1928, the qualifications prescribed being, S.S.L.C., Exam, Typewriting Senior & Shorthand General. The two applications received in response to the notification published in the Gazette, from candidates of backward communities were forwarded to the Reg. Mysore University. None of these two candidates was selected on the plea that the one was a clerk in the Medical College on a higher pay & the other a non-Mysorean. On verification it is found that the so-called Non-Mysorean is a domiciled Mysorean (P. Bhashyam James c/o Theobald Bros, Mysore, born at Chingleput, Madras Pres.). This vacancy was re-

re-advertised as Special Vacancy no. 253 of 29-30 of Clerk, in July 1929 (as lasting for one year) one year and ten months after the vacancy was first advertised, instead of after the lapse of three months i.e., in December 1927 according to the C.R.B. rules. In response to the second advertisement one H.S. Suvappa, Part B.A., a Jain, applied. The Principal Central College states that Suvappa is not suitable for the post as he is not qualified as a stenotypist. In accordance with the Third Member's orders, the Registrar of the Mysore University was, in his office letter of 22.8.27, asked to readvertise this vacancy through the C.R.B. & fulfilling up according to rules. Instead of carrying out this instruction, the Registrar recommends sanction of Govt. to the proposal of the Principal, Central College to M.S. Seshagiri Rao who has been acting against this Spl. Vacancy of Clerk on Rs 25-2½-50 since the 10th August 1927, being exempted from the operation of the C.R.B. rules for purposes of confirmation in this Special Vacancy on Rs 35/- p.m. from 1.7.29.

Exam., neat handwriting & Typewriting Junior. Four applications received from candidates belonging to backward communities were forwarded ~~in response to advertisement inviting applications~~ to the Registrar, Mysore University on 19.10.27. SIR,

I am directed to state that two posts (1) of an acting additional clerk, and (2) of Temporary Store-keeper, Physics Department of the Central College, Bangalore, were advertised as special vacancies through the Central Recruitment Board in September 1927 and the applications received therefor were forwarded to the Principal for recommendations. Reminders were issued from this office enquiring how the applications have been disposed, and the Principal was also requested to send in the 'A' statements for re-advertisement of the vacancies, if no candidate from among the applicants, had been selected for them. The Principal has returned the applications received for both the posts stating as follows.- (vide copy of his letter No.1886, dated the 6/7th June 1929 enclosed).-

Vacancy No.624 - Acting Additional Clerk.

Out of the two applicants, one is a clerk in the Medical College on a higher salary and the other is a non-mysorean; the former was interviewed by Dr.Metcalfe. He recommends the continuance of the services of M.S.Seshagiri Rao, (who was appointed temporarily pending advertisement of the post and the selection of a candidate).

Vacancy No.625 - Store-keeper.-

Invites attention to Government Order No.D.10943-4/Uni-342-28-2, dated the 23th April 1929, in which the said post has been conferred on H.V.Appuvachar.

As regards the first, I am to state that the long delay in the disposal of applications is regrettable and the continuance of the services of the Brahmin official was not in order.

As regards the second (post of Store-keeper), the situation is this:-

While the applications were pending disposal in the College office from November 1927, the Principal recommended in January 1929, among other items, the confirmation of H.V.Appuvachar as Store-keeper on a higher pay, as the required provision had been made in the sanctioned budget.

Neither the Principal brought to notice at the time, that the post had to be filled up by selection from the applications pending, nor made any reference to it in his communication. The University Office also lost sight of the matter and treated the Principal's letter as one independent reference and accordingly submitted the Principal's proposal to Government for sanction.

The recommendation of the University in respect of Appuvachar was sanctioned by Government, with a modification, in their order of 23rd April 1929, referred to in the Principal's letter.

It may be seen from the above that the vacancy advertised no longer exists. The unduly long delay in the disposal of the applications has led to this complicated situation.

In the foregoing circumstances, I am to request that you will be so good as to obtain kind sanction of Government to regularise the appointment of Appuvachar, and to the continuance of the appointment of M.S.Seshagiri Rao, till the vacancy is readvertised and selection made.

I am to state that immediate steps will be taken to advertise the vacancy again and that a future vacancy in the College will be treated

treated as a reserved one.

---

In reply to your letter No.24745, dated the 27th May 1929, regarding the vacancies of a temporary Store-keeper and a clerk, I have the honour to state that only two applications were received for the post of the clerk (Special vacancy No.624) out of which one is a clerk in the Medical College on a higher salary and the other a non-Mysorean. The former was interviewed by Dr.E.P.Metcalfe.

As regards the appointment of Store-keeper (Special vacancy No.625) in Physics department, I have to invite your kind reference to Government order No.D.10943-44/Uni.342-28-2, dated the 23rd April 1929 in which the said post has been confirred on H.V.Appuvachar.

In this connection, I beg to state that the present incumbent in the post of temporary clerk viz., M.S.Seshagiri Rao who has been working satisfactorily for nearly two years and who has been recommended by Dr.Metcalfe (vide this office letter No.1495, dated the 22nd March 1929) has in addition to his present qualifications passed the Shorthand (Junior) Examination this year and he has picked up work in this office.

Under these circumstances, I beg to suggest that Dr.Metcalfe's recommendation in the matter of filling up the vacancy, be approved.

The applications received with your Memos Nos.6380, and 6867, dated the 19th October and 28th October 1927 respectively are returned herewith.

UNIVERSITY OF MYSORE.

Letter No.411, dated the 6th September 1929, from the Principal, Central College, Bangalore, to the Registrar, Mysore University, Mysore.

With reference to your Memo No.5634, dated the 29th August 1929, regarding the appointment of M.S.Seshagiri Rao, temporary clerk in the office, I have the honour to point out that this post was twice advertised and that Dr.Metcalfe in the first case found no suitable applicant (vide this office letter No.1886, dated 6/7th June 1929) and again for the second advertisement, only one application sent in with your letter No.5633, dated the 29th August 1929 has been received and this applicant is not qualified as a steno-typist which was one of the conditions laid down, whereas Seshagiri Rao has these very qualifications. We cannot afford to start a clerk's training in subjects which he ought to master before he begins to think of applying for such a post. The College office work is heavy and must have efficient hands.

Twoice the place has been advertised as a Special vacancy and twice the advertisement has failed to draw suitably qualified applicants.

Under the circumstances explained above, I request that the Government may kindly be addressed to grant M.S.Seshagiri Rao an exemption from the operation of Central Recruitment Board rules and be confirmed in the place on Rs.35/- as recommended already.

I return the application sent with your Memo under reference.

Letter No.962, dated the 5th December 1929, from the Principal, Central College, Bangalore, to the Registrar, Mysore University, Mysore.

I have the honour to recommend M.S.Seshagiri Rao who has been acting against the vacancy of clerk on Rs.25-2½-50 in this office since 10th August 1927.

This post was advertised twice as a special vacancy (Nos.624 of 1927-28 and 253 of 28-29) . In response to the vacancy No.624, two applications were received from Non-Brahmin candidates. Of these one was a non-Mysorean and the other ~~xwx~~ who took employment in the Medical College and only one in response to vacancy No.253 (vide this office letter No.411 dated the 6th September 1929).

~~xMxx~~ M.S.Seshagiri Rao has given satisfaction during his temporary tenure of the post: and has improved his qualifications by passing typewriting Senior and Shorthand Junior and Intermediate Examinations He is in poor circumstances and belongs to a respected family, being the near relative of the late Professor M.G.Srinivasa Rao.

Under the circumstances explained above, I recommend that M.S. Seshagiri Rao may be confirmed as clerk and stenographer on Rs.35/- in grade Rs.25-2½-50 from 1st July 1929, provision for which has already been made in the current year's College budget.

SIR,

Adverting to letter No.982, C.R.B. dated the 22nd August 1929, from the Chief Secretary to Government, regarding the appointment of Appuvachar as Store-keeper on Rs 30/- per mensem (originally advertised as vacancy No. 625 of 27-28) in the Physics Department of the Central College, Bangalore, I am directed to forward herewith a copy of letter No.636, dated the 22nd October 1929, together with that of its enclosure, from the Principal, Central College, Bangalore, and to request that in the special circumstances of case as explained both by the Principal and by the Professor of Physics you will be so good as to obtain kind orders of Government for the post of the Store-Keeper being advertised as a general vacancy so that Mr. Appuvachar may also have a chance to apply for the vacancy.

I am to forward herewith a statement in form 'A' respecting the post, for favour of transmission to the Central Recruitment Board for being advertised in the next issue of Mysore Gazette.

======

With reference to your D.O. letter No.C.38, dated the 26th September 1929, regarding the appointment of Mr. H.V.Appuvachar, I have the honour to forward a copy of Memo submitted by Professor of Physics explaining why a candidate who is familiar with the names and uses of apparatus has been selected and to request that his claims may kindly be favourably considered. However 'A' statement as required in your D.O. under reference is herewith forwarded.

Under the circumstances, the vacancy may kindly be treated as a General one and advertised accordingly if it is absolutely necessary.

=======

Department of Physics,
Central College.
Dated 22nd October 1929.

H.V. Appuvachar was an attender in the Physics Laboratory for about two years i.e., from June 1925 to to June 1927. He was then lent to the Chemistry Department to be acting store-keeper. When the post of store-keeper in the Physics department fell vacant in 1927 the place was advertised and H.V.Appuvachar was one of the candidates from the department who however could not apply for the post as it was a special vacancy. The work of store keeper in the laboratory requires familiarity with the names of apparatus and to a certain extent a knowledge of what they are used for. H.V.Appuvachar had acquired this familiarity during this service as attender and as he was also better qualified for the work than the applicants (he knew typing and book-keeping) and as he had also served for a few months doing the work of a store keeper in the Chemistry department in 1927, he was taken on for the new post of temporary store keeper on probation. When in 1928-29 provision was made for a permanent store keeper, H.V.Appuvachar had passed the S.S.L.C. examination and gained considerable experience in the techniques of Laboratory stores and apparatus, besides acquiring efficiency in typewriting etc. It was therefore proposed to promote him from his permanent post as attender and acting post of store keeper to the permanent post of store-keeper in the department. As it was a case of promotion of a permanent employee,

found fit for the higher post no advertisement was deemed necessary.

It is requested that for the above reasons, no further advertisement be made and that H.V.Appuvachar be confirmed in the post. It is submitted that Mr.H.V.Appuvachar's appointment as store keeper is to be considered as a promotion from the post of attender and not a new appointment requiring advertisement. If even after this explanation it be deemed necessary to advertise the post, it may be advertised as a general vacancy so that one like Appuvachar who has had experience in the Physics laboratory may not be prevented from applying for appointment in the vacancy.

Dear Dr. Metcalfe,

I am enclosing for your perusal a memorandum put up ~~by my office~~ in the Secretariat about the manner in which certain vacancies occurring in the office of the University ~~have been~~ were filled up. From this memorandum it would seem that the orders of Government in the matter of prompt advertisement of vacancies and preference to be shown to candidates of backward communities in certain cases are not always fully given effect to. The Secretariat will take action in respect of all these cases separately. I am sending this note informally only for your information.

Yours sincerely,

Issued on 3/4/30.

Dr. E.P. Metcalfe, D.Sc.,
Vice Chancellor, Mysore University,
Bangalore.

The vacancy of acting additional Clerk in the Central College, Bangalore, was advertised as Special Vacancy No. 624 on the 14th September 1927 as one lasting till the end of June 1928. Two applications received from candidates of Backward Communities were forwarded to the Registrar. But neither of these was selected and the vacancy was accordingly re-advertised on 16th July 1929 as one lasting for one year. Only one candidate who was a Jain and a part B.A. applied for the vacancy. But he was not selected on the ground of his not being ---- qualified as a Steno-typist. The vacancy was therefore ordered to be ~~re~~advertised again. Instead of doing this, the Registrar recommends the confirmation of M.S. Seshagiri Rao, a Brahmin, who has been allowed to act in this Special vacancy since 10th August 1927.

2. Another vacancy of temporary Storekeeper, Physics Department, in the Central College, Bangalore, was advertised as Special Vacancy No. 625 on 14th September 1927 as one lasting till the end of June 1928. Four applications received from candidates belonging to Backward Communities were forwarded to the Registrar but none of them was selected for appointment. Instead a Brahmin by name Appavachar who was acting against this Special vacancy was allowed to continue to act in the vacancy. After the lapse of one year and four months i.e., on 20th February 1929

mending the confirmation of Appavachar in the vacancy. As the full facts of the case were not set forth, sanction was accorded to the confirmation of Appavachar in the vacancy. When the fact that this was a case of confirming a Brahmin in an advertised Special vacancy came to the notice of Government, it was --- ordered that the vacancy should be re-advertised. Instead of giving effect to the orders, a recommendation has been made by the Registrar that the vacancy may be re-advertised as a General vacancy so that Appavachar might also have a chance of applying for the vacancy, subject to a prospective general vacancy being treated as a special vacancy.

III The vacancy of Accountant in the Intermediate College, Bangalore, sanctioned on 9.1.29 temporarily for a period of one year in the first instance (and for another year again -- pending its being made permanent) was not advertised till June 1929. Even when the vacancy was advertised, none of the candidates who --- applied was selected for the post on the ground of their not having passed Accounts (Higher). But one V. Narayana Rao (S.S.L.C. Course) who is all along continued in the vacancy has not passed in accounts Exam other and he is now recommended for being exempted from the operation of the recruitment rules for being permanently appointed in the vacancy. His present pay is Rs 40/- p.m. the educational qualification required for the post is 1st year B.A Or Inter. Exam.

IV. The vacancy of Store-keeper of the Chemistry Department in the Central College was advertised as Vacancy No. 901 of 28-29. Four applications from candidates of Backward Communities possessing the S.S.L.C. qualification required by rules were forwarded but none of them was selected on the ground that the post carrying a

pay of Rs.35/- required a candidate of higher qualifications viz., (1) a pass in the Intermediate Examination with Chemistry as one of the optionals and (2) knowledge of Shorthand and Type-writing. One of the applicants was however subsequently appointed in the vacancy as directed by Government.

V. // The post of Foundry Instructor on Rs.45/- for the College of Engineering in Bangalore was sanctioned in March 1929 but has not been advertised till now. A reference has recently been received from the Registrar stating that a candidate has been selected for the place and enquiring whether it is necessary to advertise the post in view of a recommendation made for a revision of the grade of the appointment.
